Cannes è la seconda destinazione d'affari dopo Parigi ed è l'ideale per una mostra d'arte contemporanea in questo periodo dell'anno vista la sua vantaggiosa collocazione sul mare.

Questa data cardine tra luglio e agosto, picco di presenze turistiche facoltose, rende unica la città di Cannes con 75.000 a 210.000 residenti . Tutti i palazzi vicini sono pieni di turisti e personaggi importanti e gli yacht più lussuosi sono ormeggiati nei porti della città.

L'immediata vicinanza di Nizza, Monaco e Saint-Tropez, città che beneficiano naturalmente dello stesso vantaggio, aumenta considerevolmente questa concentrazione di potenziali acquirenti e collezionisti.

Una 'folle follia' d'acquisto ha dato a Cannes il nome di "Centro Commerciale all'Aperto". I marchi più prestigiosi si sono stabiliti lì, al fine di offrire i loro prodotti di lusso ai clienti.

Tanti motivi per invitare anche le famiglie all'arte: un bar VIP che offre cibo di qualità e una raffinata selezione di vini, un'atmosfera accogliente , spettacoli dal vivo, un'area di intrattenimento riservata alla creatività dei bambini.

L'inaugurazione ufficiale dello spettacolo si terrà venerdì dalle 18:00. In questa occasione, un momento musicale darà il suo colore al suono per tutta la serata. Jazz e swing per un 'atmosfera di eleganza e charme.
