INSTRUCTIONS | Virtual Gallery 3D

Click on the **cover of the exhibition** you want to see to upload the virtual gallery.

Once the virtual gallery is displayed, you have two options to access its content:

- ■ with a click on **START GUIDED TOUR**, you start the guided tour that will automatically show you all the works on display one by one;
- ■ with a click on **ENTER EXHIBITION**, you access the heart of the virtual gallery and, from there, you can move in all directions, examine the works from various angles, analyze them in detail, and calmly read the cards of the works that most intrigued you *(use the Request form to send your welcome feedback or to request free the Catalog in PDF format).*

  The main commands to move within the virtual gallery are:
  - ✓ click and drag to rotate the view;
  - ✓ user the **UP** and **DOWN** keys to move forward or backward, respectively;
  - ✓ click on a painting go immediately there;
  - ✓ with a click on the menu icon (≡), the icon with three dashes, you can access the *Full-Screen* mode, the *List of works (by clicking on the name of the work, you go directly to its location),* the *Guided Tour*, etc.
